"Fun and Easy" or "Plain & Fancy": Two great local machine quilters; choose your time, day, teacher, pleasure and get ready to have fun with either or BOTH! If you have felt frustrated and unsuccessful at machine quilting, try the dazzling doodle system skillfully taught by Judy. If you would like another viewpoint/technique, practice and learn with Joani. This class is great for all levels and abilities, with results that will surprise you. All you need is a machine with feed dogs that will lower, a free motion foot, some quilt sandwiches, thread, and you are set to go. <i>All Levels</i>
